Exporting lists

Article lists can be easily exported using the export tool:

The screenshot shows a web interface titled "LIST OF ARTICLES: REPORT RECEIVED". At the top right, there is a blue arrow pointing to a download icon and a settings gear icon. A dropdown menu is open, showing two sections: "Export current columns" and "Export all columns". Each section lists three options: "Excel", "CSV", and "PDF" with an information icon. Below the menu, the main content area displays a table of articles. The table has columns for Reference, Status, Due Date, Revision, and Title. There are six rows of data. Below the table, there are three search input fields: "Search Reference", "Search Title", and "Search Current Editor". At the bottom, there is a pagination control showing "1" in a green box, with "1 of 1" below it.
