For editors previously using MMS, your codes have been migrated. **Do not register again.** Type in your e-mail address (the one used with MMS) and the password you used to access MMS. If you got some connection problem, please click on the 'Reset password' link' <https://XXXX.nestor-edp.org/resetPassword>

As an editor, once you're connected, you access directly your interface as editor.

You can switch to your interface as author or referee using the role menu close to your name.

Revision #4
